

Music Ministry 2013-2014

"Music Matters"...it matters to God and therefore it should matter to us. God made sure that He was praised with singing and musical instruments during the times of worship by the Israelites (1 Chron 25:1-8). As His armies of followers went out to battle they were led by musicians (2 Chron 20:21). When we go to heaven we will join with myriad others as we sing before the throne of God (Rev 15:2-4).

This past year has been a significant transition year for the music ministry of Windham Baptist Church. As leadership has changed so has the responsibilities and ministries of our musically gifted people. I want to thank Doug Elder, Vicki Norris and Mike Jones for leading so well over this last year. I also want to thank the other musicians who have contributed their talents as an offering of praise to God.

This coming year will no doubt bring further changes, a reflection of God's goodness and faithfulness. We often long for the security of sameness but God wants us to be stretched to the point that our pride and self-reliance would shatter and we turn wholly to God in faithful dependence. I would love to have more singers and instrumentalists as God lays this ministry on your heart.

"Music Matters", so please continue to pray for the music ministry and also pray that you might too sing with great love and praise... on key or off!

Sincerely,

Scott Burke, Elder
